Giving Back – Having Fun

Bishop Stang Alum from '82 not only continued to get together, but they participated in a community service activity at the same time. They spent a weekend together reminiscing of the good times. On the Saturday night, five of them attended a concert at the Zeiterion where there was a food drive for United Way's food pantry. On the table is some food they collected for the drive and enjoyed a great concert! In the picture are Christine Leboeuf, Kathryn O'Brien, Sue Bertrand, Jackie Desormier Machamer, Robin Burns-Laubi, Maureen Sylvia Armstrong, Chris Martin Munroe and Mary Azar Borges. Arriving later that night was Nina Bullard.

Dear Bishop Stang Supporter,

Thank you! We are so very blessed at Bishop Stang because of the generosity of our various constituents. From board members and present parents to faculty and staff to alumni/ae to past parents, grandparents, and friends, so many of you shared your gifts with us in the 2008-09 school year.

What is extraordinarily striking is that your generosity occurred during an extremely difficult and trying economic time for our region and our country. What a testimony to your belief in our school community. Your gifts allowed Bishop Stang to support our students and their learning, and to provide much-needed financial aid to our families. We were able to enhance many academic programs and to offer a wide variety of professional development opportunities for faculty and staff.

Finally, as we continue to Build on our Foundation, we were able to hire an architectural firm to develop a campus master plan, which includes the integration of the former convent into our daily program and will lead to improved arts and academic space.

In essence, your generosity allowed us to do the work that you depend upon us to do on a daily basis: to educate your children in a holistic and spiritual manner. Thank you for your generosity of treasure, of time, of talent, and of spirit!

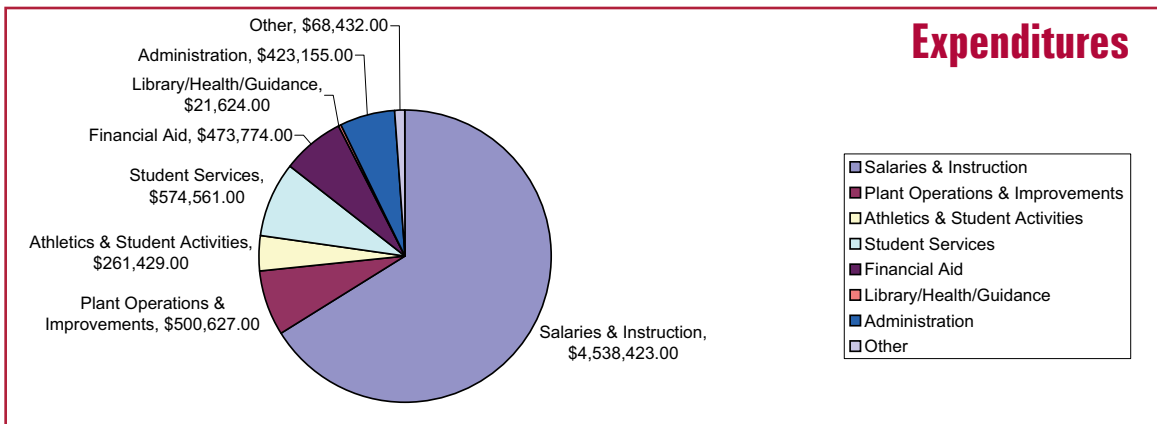

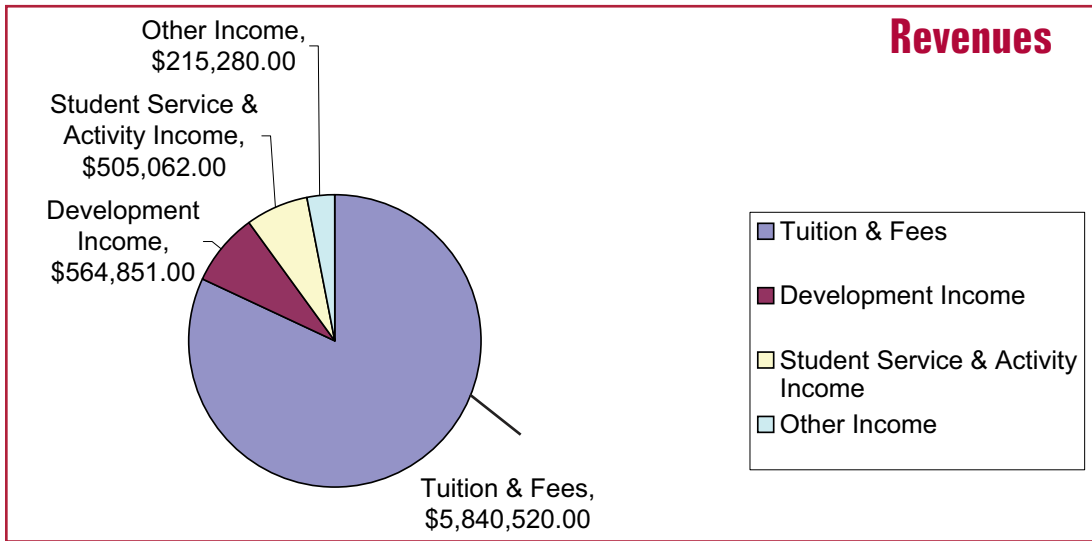

God Bless,

A handwritten signature in black ink that reads 'Theresa E. Dougall'. The signature is written in a cursive, flowing style.

Volunteer Leadership

Volunteering brings benefits to the Bishop Stang experience and contributes to the fabric of the school community. For year's alumnae/i, parents, and friends have given the school a precious commodity – their time. It is with the resources, knowledge, compassion, and desire to aid our students in their preparation for life that our volunteers add an indispensable and valued dimension to the Bishop Stang education. We would like to thank all of these individuals for sharing themselves with our students.
